ABOUT THE PROJECT

Experience Lekki Lifestyle in Gbagada

After the successful delivery of our massive housing projects in Harmony Estate, Gbagada, GMH Luxury has returned to the mainland to construct an architectural edifice which will accompany GCC 1 and GCC 2 in redefining architecture in Harmony Estate. Redemption Towers is a mini estate comprising 48 units of 3 bedroom apartments and 24 units of 3 bedroom maisonettes

We are bringing the luxury lifestyle in Lekki to the mainland, designing spacious living spaces with sophisticated housing features and facilities including a standard gym and swimming pool, 24 hours power supply, elevators, rooftop lounge, among many others.

You are guaranteed a seamless and comfortable life in Redemption Towers.

Kehinde Ogunnusi, Gbagada

The Gbagada area is an attractive, highly developed district in Lagos Nigeria. It is an exclusive, upper class neighborhood with close proximity to important amenities like schools, hospitals, churches and mosques, the local and international airport, the Ikeja city mall, the Alausa government office and several business districts. Embassies and state house lodges are scattered all around the Neighborhood.

The neighborhood hosts several high-class shops and restaurants. A number of the mainland's best hotels, national children's park & Zoo are also sited in the area. Gbagada Phase 1 has often been described as one of Nigeria's most desirable place to live in.

Recreational Facilities

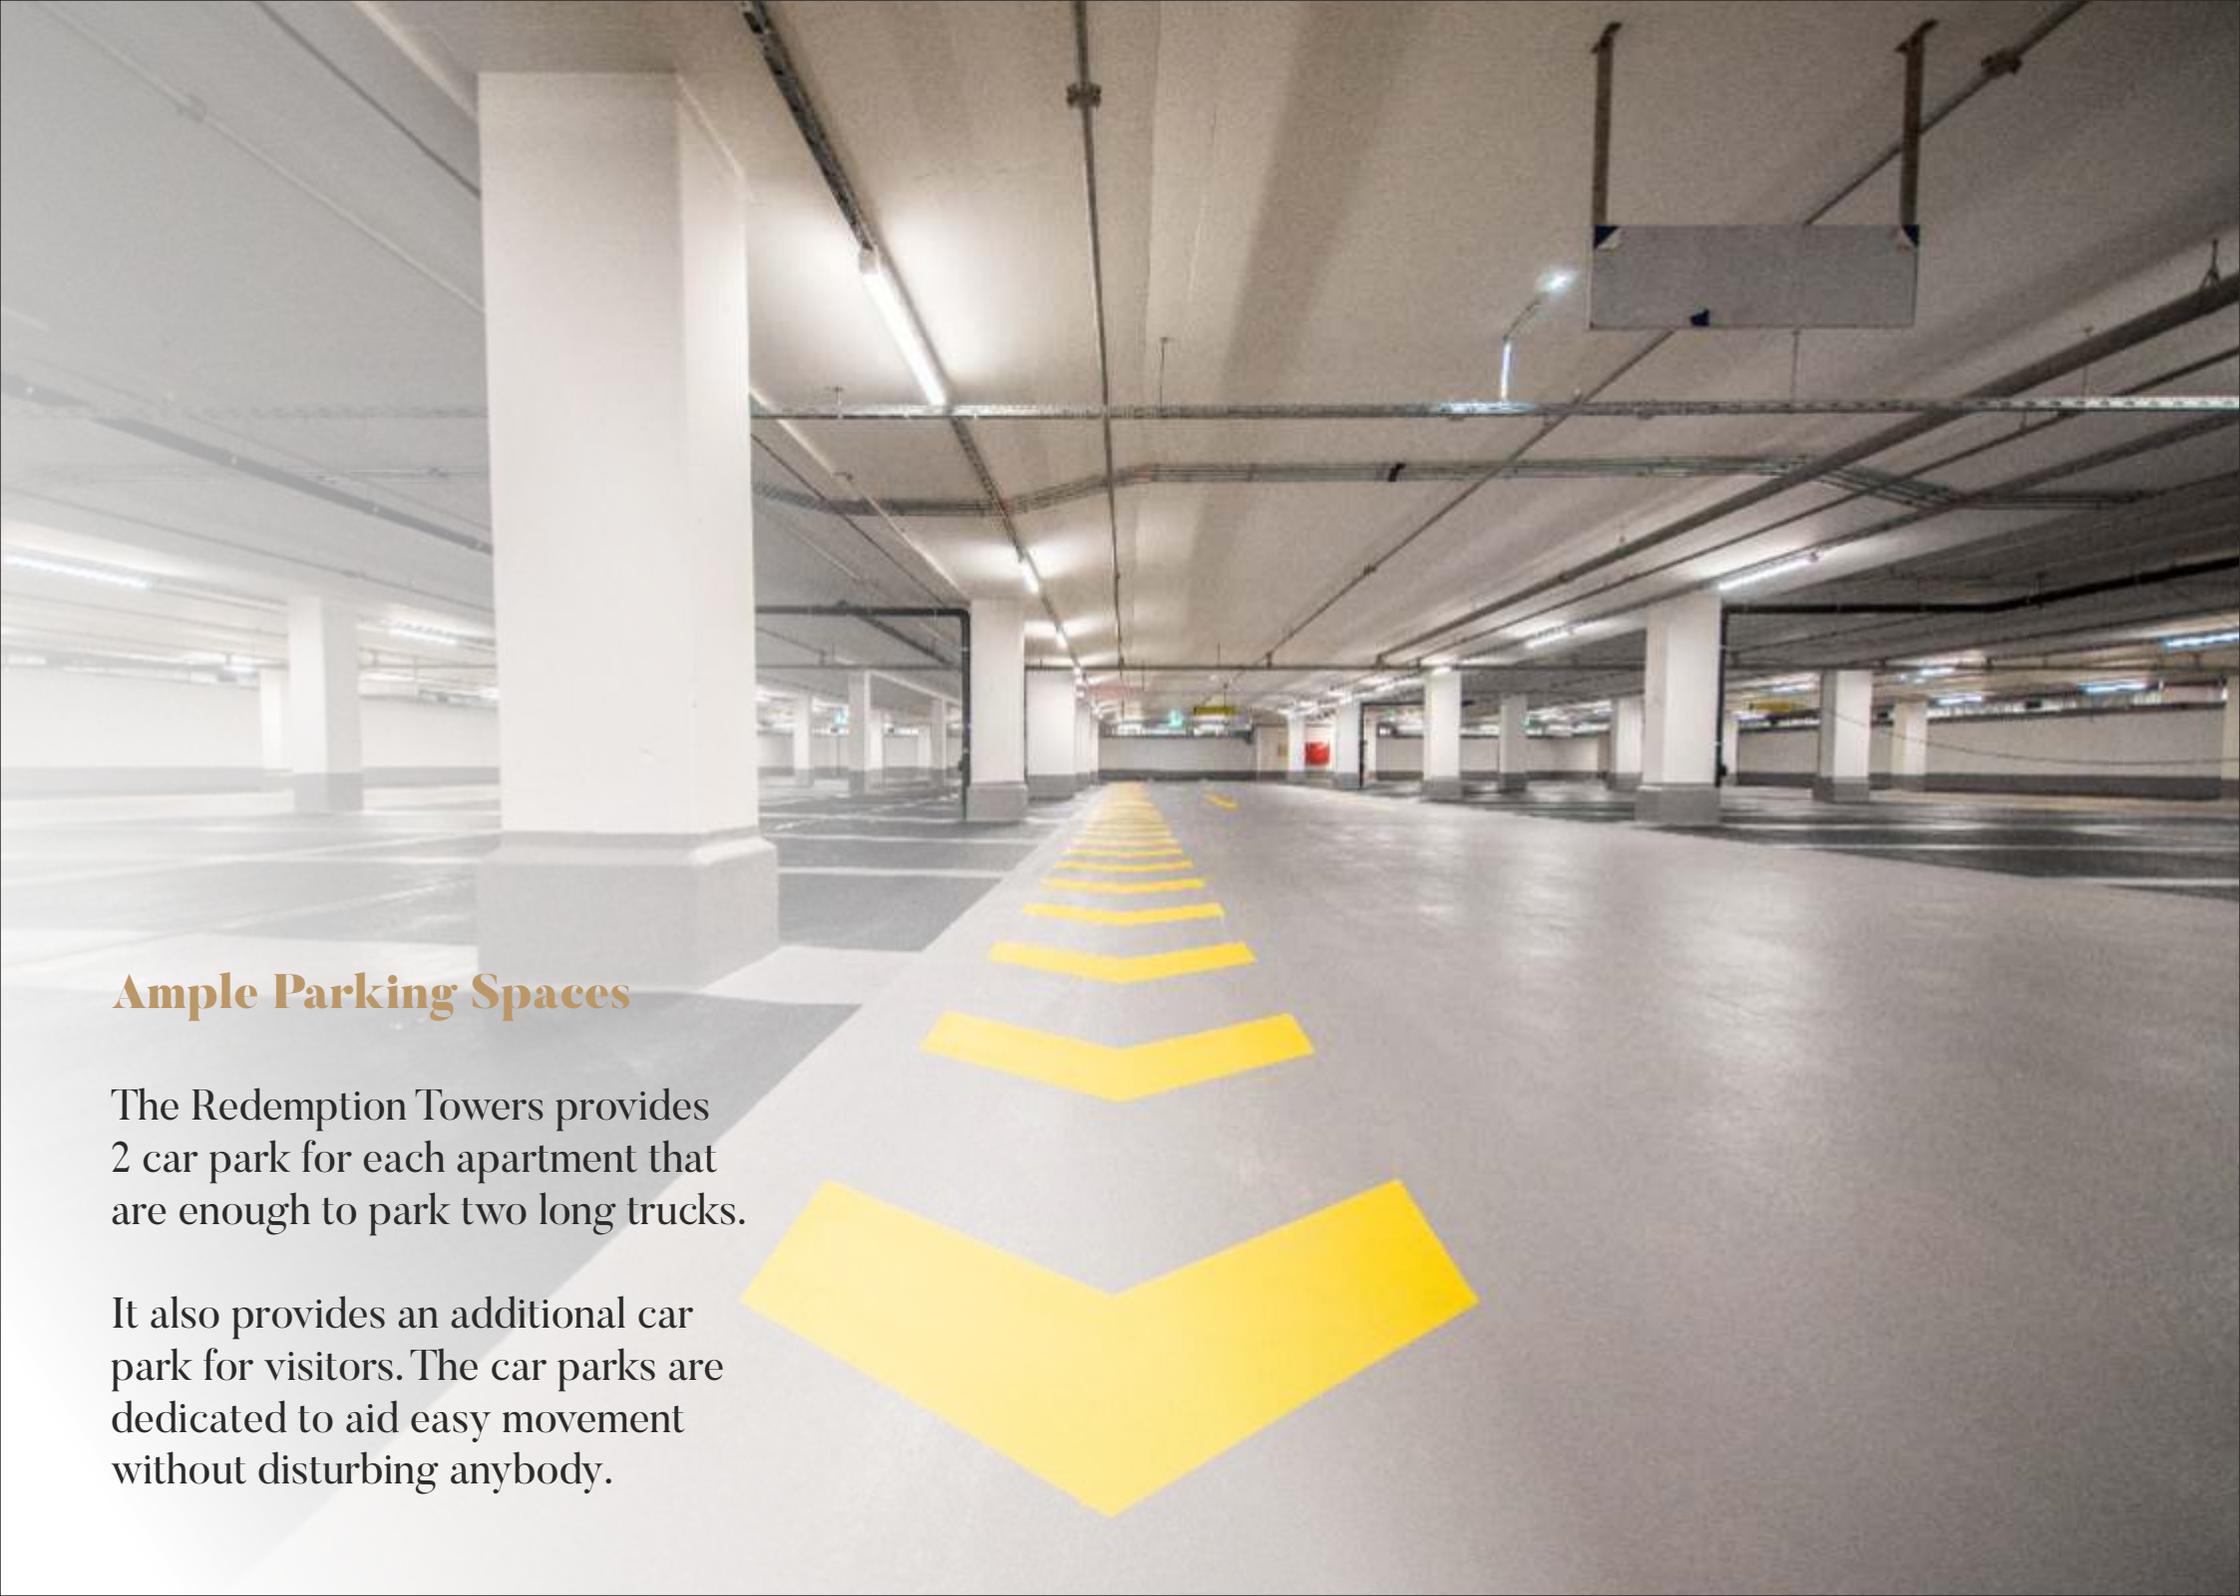

The redemption towers will boast of several state-of-art fittings and facilities like; an olympics size swimming pool, Techno gym, Café, Spa, lobby/business lounge, lawn tennis court, Grill area, Electric tire pump, among many other facilities.

The recreational facilities would promote strong health and bounding amongst residents.

Experience undiluted luxury with a surreal night-time view

Ample Parking Spaces

The Redemption Towers provides 2 car park for each apartment that are enough to park two long trucks.

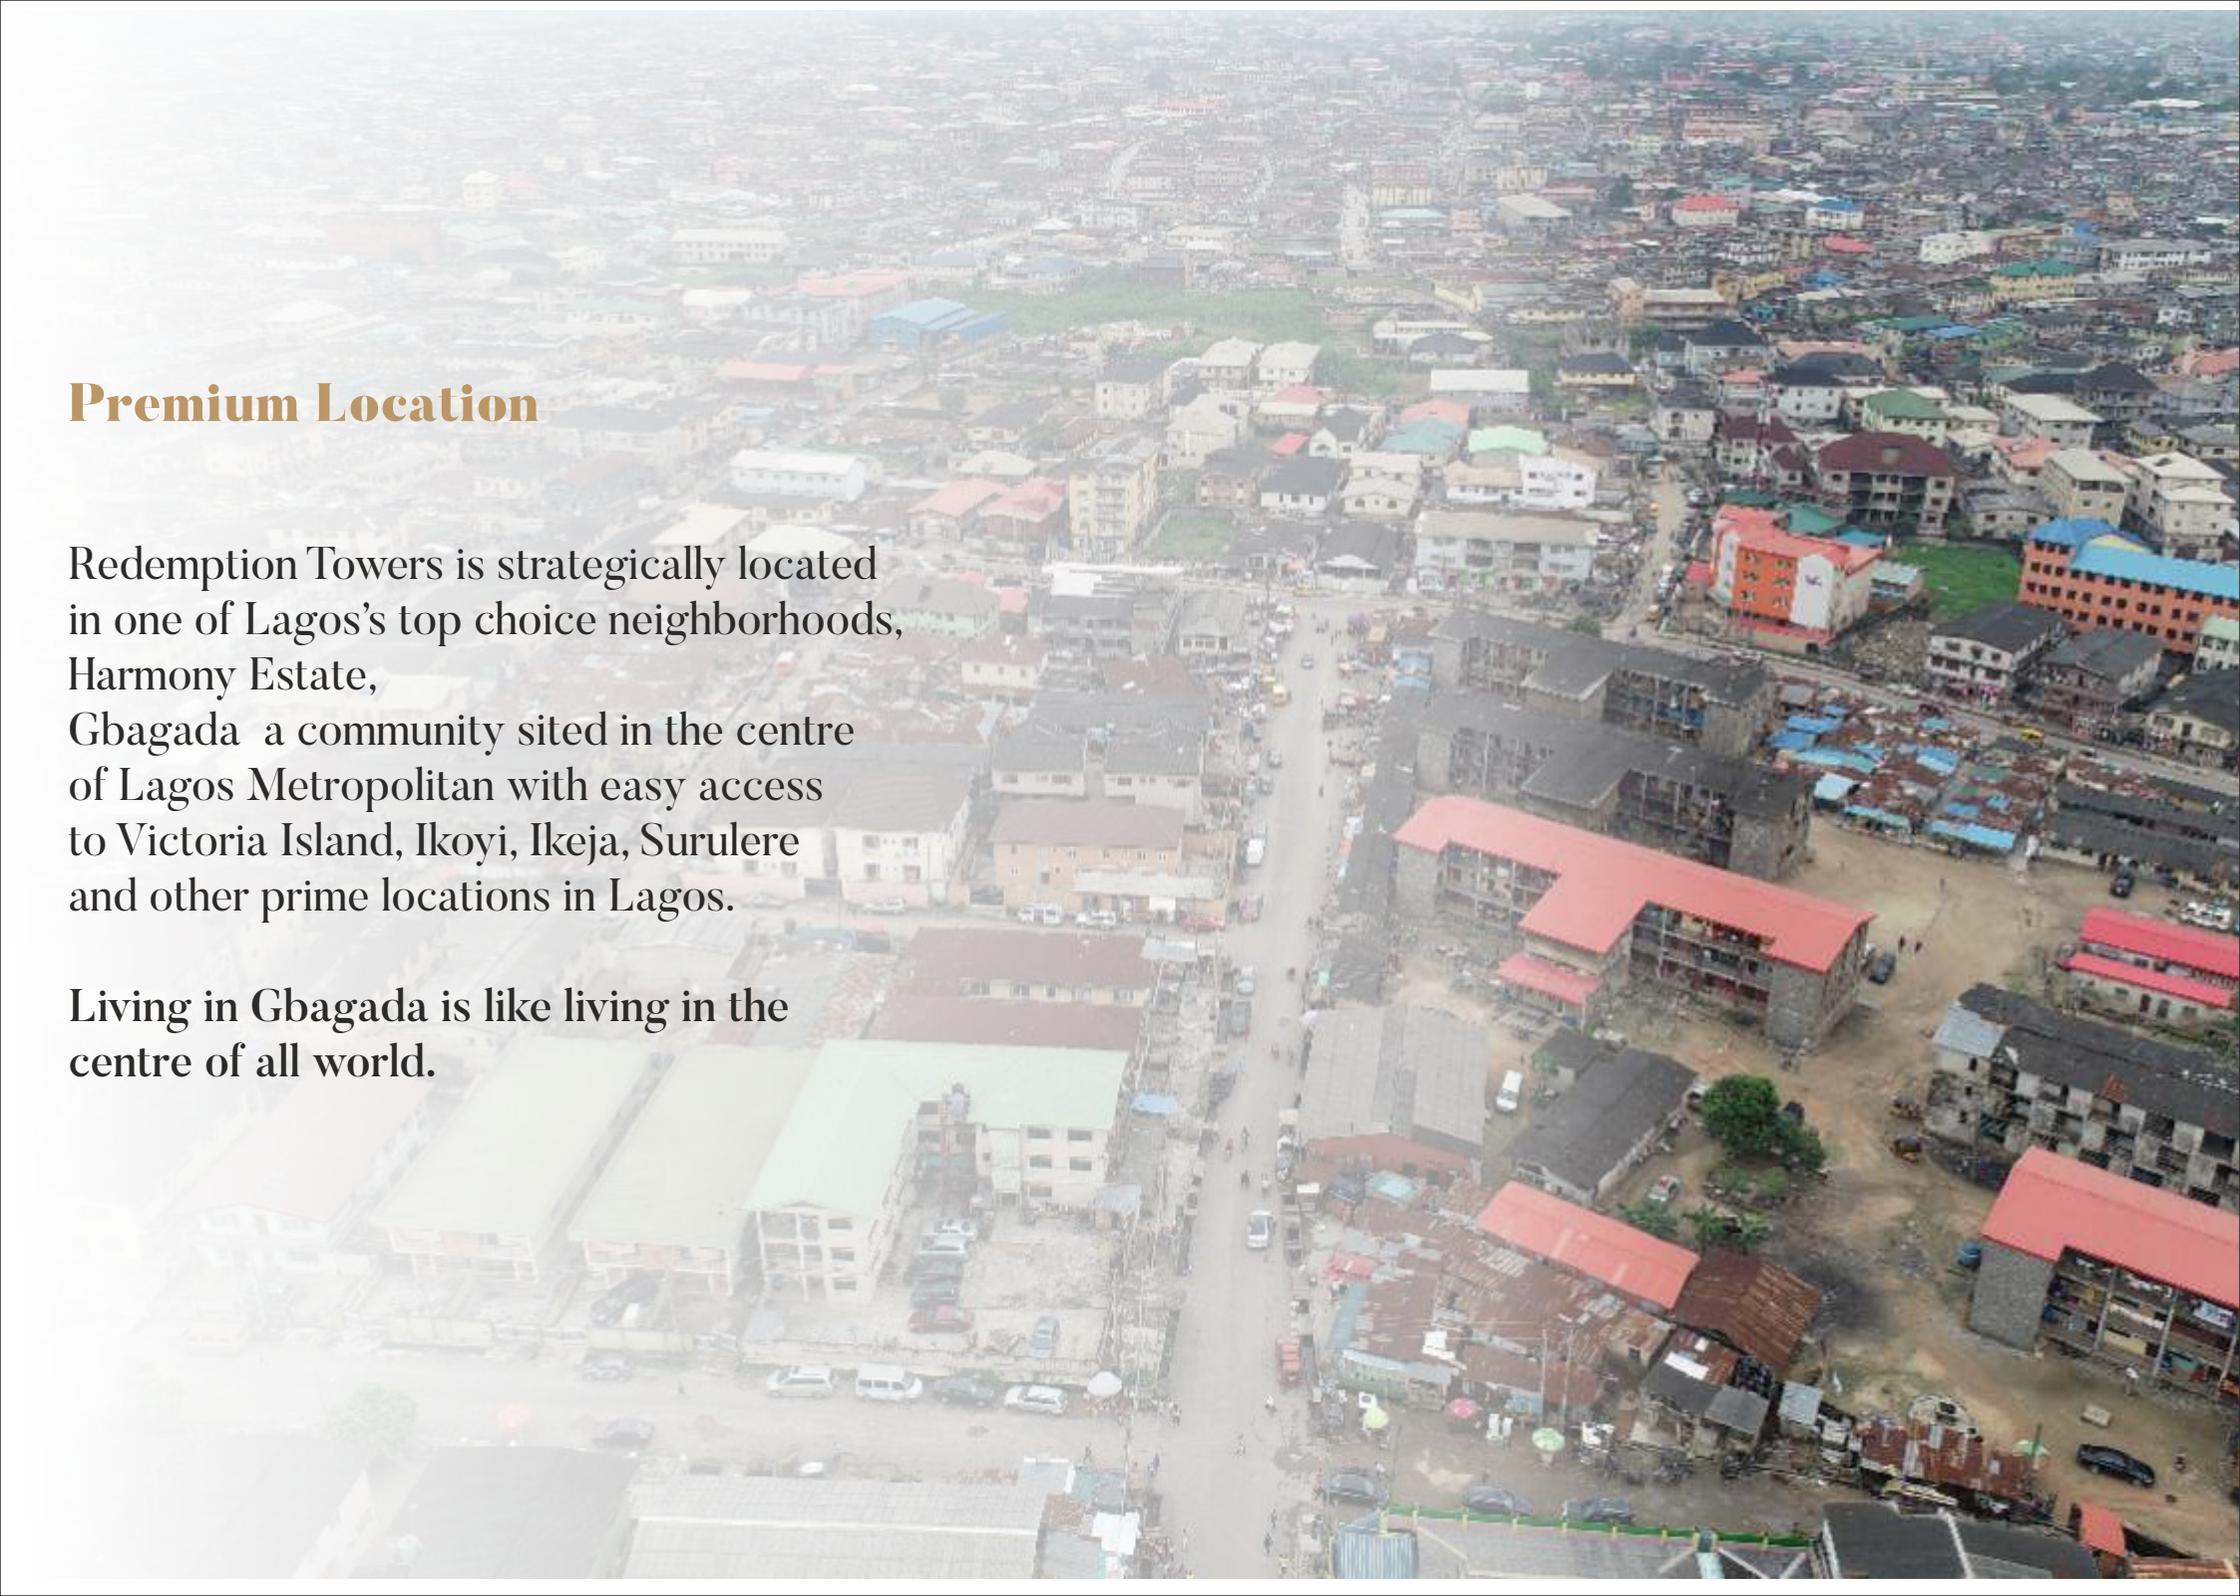

It also provides an additional car park for visitors. The car parks are dedicated to aid easy movement without disturbing anybody.

Modern Architecture

With great emphasis on clean lines, simple shapes, intentional asymmetry, natural lighting, open floor concept, green areas and natural materials, neutral colour with smart and healthy home features;

the skyline of Gbagada is about to experience a new height of modern architectural perfection that has never been seen.

An aerial photograph of a densely populated urban area in Lagos, Nigeria. The image shows a mix of modern, multi-story buildings and informal, low-rise structures. A central road is visible, with many cars and people. The overall scene is a vibrant, bustling city center.

Premium Location

Redemption Towers is strategically located in one of Lagos's top choice neighborhoods, Harmony Estate, Gbagada a community sited in the centre of Lagos Metropolitan with easy access to Victoria Island, Ikoyi, Ikeja, Surulere and other prime locations in Lagos.

Living in Gbagada is like living in the centre of all world.

Reasons To Choose The Redemption Tower

Lifestyle

With a host of world-class facilities and features, The Redemption Towers births an enormous level of comfortability and a drastic lifestyle upgrade.

Location

Gbagada is a central community, one of Lagos most accessible and Nigeria's most secured community where inhabitants enjoy luxuries such as incredible infrastructure, long hours of electricity supply, extremely tight security, good road layout, along with a central sewage system and treatment plant. There is also a Games Park for Children and finally, the well-cherished company of fellow wealthy folks.

Value

The Redemption Tower offers 50% Return On Investment in 24 months, and a 12% annual rental value; these figures are not speculations as we achieved 62% return on investment in our GCC1 and GCC2 Gbagada projects which was concluded in 2018 and 2020 respectively and we are set to do even better.
